Re: United States of America v. Leroy Brooks (14-382-2).

Dear Counsel:

On March 11, 2021, the Court received a letter from the Federal Public Defender's Office stating that the office could screen Defendant's Motion for Compassionate Release pursuant to Standing Order No. 2020-08 but was unable to represent Defendant on other issues. Thereafter, the Court entered an Order for the Public Defender to perform this screening [see Docket No. 193] and appointed different counsel to represent Defendant on a post-appeal matter. [See Docket No. 196].

Counsel is now kindly requested to update the Court on the status of its review within 14 days from receipt of this letter.
